## 2016 NEW YORK COMMUNITY TRUST NONPROFIT EXCELLENCE AWARDS 10<sup>TH</sup> ANNIVERSARY AWARD SEMIFINALISTS ANNOUNCED

New York, NY, August 2, 2016 –The New York Community Trust Nonprofit Excellence Awards Program, in its 10<sup>th</sup> year, announced today 11 nonprofit organizations in the city and Westchester that have been chosen as semifinalists for \$60,000 in prizes and prestigious scholarships.

The New York Community Trust Nonprofit Excellence Awards, a program created and run by the Nonprofit Coordinating Committee of New York, is the only Award of its kind recognizing excellence in nonprofit management. The total of \$60,000 will be awarded to three organizations, with \$30,000 going to the Gold Prize winner for Overall Management Excellence, \$20,000 to the Silver Prize winner and \$10,000 to the Bronze Prize winner for outstanding performance in nonprofit management.

The semifinalists are also in the running to win tuition scholarships for the Columbia Business School Executive Education Programs in Social Enterprise. This is the first time in the Awards history that 11 semifinalists have been chosen; in prior years, only 10 organizations have made it to this level.

“We are delighted to announce the 11 semifinalists for the 2016 New York Community Trust Nonprofit Excellence Awards,” said **Sharon Stapel, President of the Nonprofit Coordinating Committee of New York (NPCC)**. “We created this program 10 years ago to both celebrate management excellence and create an opportunity for nonprofits to learn from each other while improving their management performance. It is fitting that, as our program grows, so does the talent of the nonprofit applicants. This year we couldn’t limit our semifinalist list to 10 because all 11 organizations chosen represent excellent practices and others stand to learn much from them.”

An expert 33-member selection committee chose the 11 semifinalists from a pool of 58 qualified applicants following an intensive application, readiness assessment and vetting process that identifies excellent and replicable management practices among nonprofits in the five boroughs, Long Island and Westchester.

“The New York Community Trust is proud to support a program that showcases best management, which are vital to sustain,” said **Lorie Slutsky, President of the New York Community Trust**, one of the region’s leading funders of nonprofits. “It’s crucial to strengthen New York’s nonprofit community.”

The Awards program has attracted 750 applications from across New York City, Long Island and Westchester over its first ten years. The Awards recognize outstanding management practices in NPCC’s **Eight Key Areas of Nonprofit Excellence**. The eight areas are: results
